OBJECT: PINNACLE SOLUTIONS AND ROCKY MOUNTAIN LIGHTING AND CONTROLS HAVE MERGED

To our valued customers,

We are pleased to announce that Pinnacle Solutions and Rocky Mountain Lighting and Controls have entered into a definitive merger agreement. The synergies created by this merger have energized our entire team and we look forward to being the most strategic agent partner in our market.

We understand that this is a new approach to the Electrical Division 26 in our market. With that in mind, we look forward to discussing the vision of Build26 and how we can support our joint business initiatives. Build26 will take the best of both companies and build an even stronger agency that can provide an unparalleled approach to how we support our customers and the manufacturers that we represent. Our collection of talented employees and the services that we provide are innovative and unique in differentiating Build26.

Please save the date and come meet the entire team at our new building where the tenant improvement is underway and finished later this year. We will have food trucks, fun games, and an opportunity to talk with the Build26 team to feel our excitement.

DATE: June 24th, 2022

TIME: 11:00-1:00
