RE: LumenArt Closing

To all LumenArt representatives,

This letter is to inform you that LumenArt will cease operations on Friday, March 15. After much deliberation, I have decided to close the company after almost 25 years in business.

All orders in-house will be fulfilled and all commissions will be paid in full. Due to the longer lead time required for fabric products, we cannot accept any orders beginning today. Alume, Stilletto, concrete, and Ring lights are still available to order.

If you have any questions, you can reach me at darrick.gurski@lumenart.com.

Best Regards,

Darrick Gurski

Danui Gushi

President

LumenArt
